Red Balloon

Charli XCX

AH OH!If you got troubles let them go
Let them soar so high, high into the sky just like a red balloonAH OH!Don' let your worries get to you
Let them float on by, high into the sky just like a red balloonMonday Morning shoot up like a rocket
Yeah the sun is shining, keep it in my pocket
Got this golden feeling, keep it in my pocket
It goes on and on
Keep on clapping, join the celebration
Turn the music louder on my favorite station
Wanna spread my magic all across the nation
Do it all day longToday I opened my eyes
And now I'm so happy and free
I've got my friends by my side
And that's all that matters to me
So come on, get up and join us cause this is just what you need
Lets do it all day longToday I opened my eyes
And now I'm so happy and free
I've got my friends by my side
And that's all that matters to me
So come on, get up and join us cause this is just what you need
Lets do it all day longIf you got troubles let them go
Let them soar so high, high into the sky just like a red balloonAH OH!Don' let your worries get to you
Let them float on by, high into the sky just like a red balloonSo turn it up now!AH OH!So turn it up now!AH OH!Bees are buzzing
Birds are buzzing dancing
And the trees are humming
Birds are singing songs
Oh, can't you see its lovely?
Life is beautiful
And it goes on and onToday I opened my eyes
And now I'm so happy and free
I've got my friends by my side
And that's all that matters to me
So come on, get up and join us cause this is just what you need
Lets do it all day longToday I opened my eyes
And now I'm so happy and free
I've got my friends by my side
And that's all that matters to me
So come on, get up and join us cause this is just what you need
Lets do it all day longAH OH!If you got troubles let them go

Let them soar so high, high into the sky just like a red balloonAH OH!Don' let your worries get to you
Let them float on by, high into the sky just like a red balloonSo turn it up now!AH OH!So turn it up now!AH OH!So turn it up now!
