Eye Makeup

Wild Moccasins

If the real world
Is fiction
Just a fraction of my mind
How could I know if
I ever knew you
At least at one point in time
If the real world
Is fiction
Just a figment of my mind
How could I know if
I ever knew you
At least at one point in time
At least at one point in time
...
I took my makeup off
All my makeup off
You said I look tired
I took my makeup off
All my makeup off
You said I look tired
I took my makeup off
You said I look tired
I look tired, how could you
If the real world was losing
and you made me pick a side
How could I know if
The one that I chose
Was it alright?
If the real world was losing
and you looked me in the eye
You asked me if I'd ever done this before
I answered yes, I am going on four
You asked me if I'd ever done this before
Yes, yes, I'm going on four
I took my makeup off
All my makeup off
You said I look tired
I took my makeup off
All my makeup off

You said I look tired
I took my makeup off
You want nothing, nothing,
to do with me
You want nothing, nothing,
to do with me, no
