## Christ Agony

Kingdom of mine  
Is beauty and bloodKingdom of mine  
Is pride and power  
Eternity they are- No mercy I have  
For those  
Who mock their name  
Of the only- Despise  
for those  
Disrespecting deathDelight on lips  
Dark's spawn  
My spermSilent crown  
Above my head  
Torment it circles  
And pain
