

I Need A Hero (N'Works Remix)

Samanta Tina

Once again
Once again
I'm standing here under the rain
Will you find?
Will you find me soon?
I don't know where I am
Is it true?
Is it all because adopted
I need a miracle, just a miracle like youI need a hero who can open up my heart
I need a hero to hold me once again
I need a hero
Hmm, I need a heroOnce again,
I have lost myself somewhere along the road
Don't know where
I don't know where it happened but I don't a ghoul
I really wanna come home
Will you find me?
Don't wanna hide anymoreI need a hero who can open up my heart
I need a hero to hold me once again
I need a heroHe was my everything until I fall
I was not the only one on his mind
I know I was blind but baby
You should have let me knowI need a hero who can open up my heart
I need a hero to hold me once again
I need a heroI need a hero who can open up my heart
I need a hero to hold me once again
I need a hero
I need a hero.
