

# Tree of Liberty

## Sons of Liberty

It's time to act quickly  
Face what's ahead, Revolution's at hand  
You must see  
I pray it's with ballots  
If they push us too far, bullets will rain  
In the streets  
We look to the Founders  
Who inspire the cause when hope is but lost  
To be free  
We'll bring down the tyrants  
Forcing their hand, bringing them down to their knees[Chorus:]  
Every now and then we see  
The tree of liberty must be refreshed  
With the blood of patriots and tyrants  
The time has come again  
The clash of free and tyranny will soak the Earth  
With the blood of patriots and tyrants Beware of deception  
Listen not what they say, but watch what they do  
Valiantly  
Convict them of treason  
For selling us out, the destruction of our  
Sovereignty[Chorus][Bridge]  
I pray this conflict will be settled peacefully  
Violence will only feed what the system needs  
Watch out! Don't tread on me!  
I know there comes a time  
When we've all had enough  
Proceed with caution  
Protect the ones you love  
For the sake of liberty  
You must fight another day  
And when the time is right  
You must push back and say  
Watch out! Don't tread on me![Chorus]
