

New Girl

The Suicide Machines

Yeah, well I can't wait to tell you all about her
All about my new girl
(He can't wait to tell you about his new girl)
And I can't wait for you to hear me shout it
All about my new girl
(He can't wait to tell you about his new girl) Oh, when we were together you tried to break my heart
Said you always did your best at keepin' us apart
Said now you're dead and gone and I've got a new thing going
Can't wait to see your face when you and your friends show up So I gotta [Incomprehensible] a new girl
So I gotta [Incomprehensible] a new girl
So I gotta find a new girl
So I gotta find a new girl Something makes you think that you're some kind of winner
Said do you wanna get married and cook somebody's dinner
Said you're making fun of me 'cause I'm young and got no money
I've got no time for school books 'cause I got no time to study Well I can't wait to tell you all about her
All about my new girl
(He can't wait to tell you about his new girl)
And I can't wait for you to hear me shout it
All about my new girl
(He can't wait to tell you about his new girl) So I gotta [Incomprehensible] a new girl
So I gotta find a new girl
So I gotta find a new girl
So I gotta find a new girl Aww, you're the type of girl that any guy would die for
That's the way it looks and I'm really glad you think so
So concerned with friends and you're popularity
But you never ever took the time to see the real me Well, I can't wait to tell you all about her
All about my new girl
(He can't wait to tell you about his new girl)
And I can't wait for you to hear me shout it
All about my new girl
(He can't wait to tell you about his new girl) So I gotta [Incomprehensible] a new girl
So I gotta find a new girl
So I gotta find a new girl
So I gotta find a new girl He can't wait to tell you all about her
He can't wait to tell you all about her
He can't wait to tell you all about her
He can't wait to tell you all about her This one
New girl
