Sailed On

Kestrels

Please don't do what I say
Cause if you don't love me
It's worthless anyway
Please don't trouble yourself
You'll only go away in the endPlease don't follow all my commands
Cause what's the point in that?
And I keep hoping that all of your plans
Will fall throughLike two ships passing in the night, we're gone
Only the moon and the stars in the sky did know
To cry for me as I sailed onPlease don't trouble yourself
I only want your love
You keep giving me your help
Oh, please stop playing along
You know you're wasting your energy
And you're breaking my heartLike two ships passing in the night, we're gone
Only the moon and the stars in the sky did know
To cry for me as I sailed onI can just see it now
(I can see it now)
You're reckless and in love
Your heart's boiling over
Oh, I can just see it now
You're coming aroundLike two ships passing in the night, we're gone
Only the moon and the stars in the sky did know
To cry for me as I sailed on, sailed on, sailed on
