

# Sailed On

## Kestrels

Please don't do what I say  
Cause if you don't love me  
It's worthless anyway  
Please don't trouble yourself  
You'll only go away in the end  
Please don't follow all my commands  
Cause what's the point in that?  
And I keep hoping that all of your plans  
Will fall through  
Like two ships passing in the night, we're gone  
Only the moon and the stars in the sky did know  
To cry for me as I sailed on  
Please don't trouble yourself  
I only want your love  
You keep giving me your help  
Oh, please stop playing along  
You know you're wasting your energy  
And you're breaking my heart  
Like two ships passing in the night, we're gone  
Only the moon and the stars in the sky did know  
To cry for me as I sailed on  
I can just see it now  
(I can see it now)  
You're reckless and in love  
Your heart's boiling over  
Oh, I can just see it now  
You're coming around  
Like two ships passing in the night, we're gone  
Only the moon and the stars in the sky did know  
To cry for me as I sailed on, sailed on, sailed on
