

# Get Bizzy With The Fizzy

## Garbage

Well I might just consider this  
If you don't let me down  
If you can keep me happy  
Well you can stick around  
Now I don't care for sycophants  
They drive me 'round the bend  
But if you can't control yourself  
Then let's just keep good friends Let's make out in the back of your car  
Let's go driving and toodling around  
We could always get lost in a crowd  
Are you ready to get deep down?  
Wooh ooh, wooh ooh ! Now there's something you should know about  
I'm chronically depressed  
I internalize my hatred  
And sacrifice myself  
Now I am busy saturday  
But I am free tonight  
And I might have to sort you out  
If you don't do it right Let's make out in the back of your car  
Let's go driving and toodling around  
We could always get lost in a crowd  
Are you ready to get deep down?  
Wooh ooh, wooh ooh ! Get Bizzy with the fizzy baby  
Get Bizzy with the fizzy baby  
Get Bizzy with the fizzy baby Let's make out in the back of your car  
Let's go driving and toodling around  
We could always get lost in a crowd  
Are you ready to get deep down?  
Wooh ooh, wooh ooh !  
Wooh ooh, wooh ooh ! Get Bizzy with the fizzy baby  
Get Bizzy with the fizzy baby ...
