

Do It Again

Diana Krall

Ohh, do it again
I may say no, no, no
But do it again My lips just ache to have you take
The kiss that's waiting for you
You know if you do, you won't regret it
Come and get it Ohh, no one is near
I may cry oh, oh, oh
But no one can hear Mama may scold me
'Cause she told me it was naughty
But then, please do it again
Just do it again Come and get it, ohh
Turn out the light and hold me close
Close in your arms all through the night Mama may scold me
'Cause she told me it was naughty
But then, please do it again
Just do it again and again and again and again
And again
And again and again
Just do it again
