

# My Eyes Adored You

## Jersey Boys

My eyes adored you  
Though I never laid a hand on you  
My eyes adored youLike a million miles away  
From me you couldn't see  
How I adored you?  
So close, so close and yet so far awayCarried your books from school  
Playing make-believe, you're married to me  
You were fifth grade, I was sixth  
When we came to beWalking home every day  
Over Barnegat bridge and bay  
Till we grew into the me and you  
Who went our separate waysMy eyes adored you  
Though I never laid a hand on you  
My eyes adored youLike a million miles away  
From me you couldn't see  
How I adored you  
So close, so close and yet so farHeaded for city lights  
Climbed the ladder up to fortune and fame  
I worked my fingers to the bone  
Made myself a nameFunny, I seem to find that  
No matter how the years unwind  
Still I reminisce about the girl miss  
And the love I left behindMy eyes adored you  
Though I never laid a hand on you  
My eyes adored youLike a million miles away  
From me you couldn't see  
How I adored you  
So close, so close and yet so farAll my life I will remember  
How warm and tender  
We were way back thenThough I'm feeling sad regrets  
I know I won't ever forget  
You, my childhood friendMy eyes adored you  
Though I never laid a hand on you  
My eyes adored youLike a million miles away  
From me you couldn't see  
How I adored you  
So close, so close and yet so far
