

Illoomorpheme

Portal

Listless attique spinsters roost
Symbionts molten behest
Dermis betrothed Deed indefeasible
Instinct a hold... they seek Spindles spoken
Abysmill dictum motions Stitch of seamless theorists
Spool anachronistic
Fleshing de rigueur
Toil over tapestries
Entropique wicker sirque
Awyreon riddle spun
Phones in theatre seethe
Blisters of atoms void supine
Mills ending hurl malign
Assailant sea wershship thee
