

Love Is Here and Now You're Gone (Single Version)

Michael Jackson

Love is here
And, oh my darling, now you're gone
Love is here
And, oh my darling, now you're gone
You persuaded me to love you
And I did
But instead of tenderness I found heartache instead
Into your arms I fell
So unaware of the loneliness that was waiting there
You closed the door of your heart and turned the key
Locked your love away from me Love is here
And, oh my darling, now you're gone
You made me love you
And oh my darling, now you're gone
You said loving you would make life beautiful
With each passing day
But as soon as love came into my heart
You turned and you walked just one way
You stripped me of my dreams
You gave me faith, then took my hope, look at me now Look at me
See what loving you has done to me
Look at my face
See how crying has left its trace
After you made me all your own
And you left me all alone
You made your words sound so sweet
Knowing that your love I couldn't keep
My heart cries out for your touch
But you're not there
And the lonely cry fades in the air Love is here
And, oh my darling, now you're gone
Love is here
And, oh my darling, now you're gone
You made me love you
Oh my darling, now you're gone
You made me love you
Oh my darling, now you're gone
