

# Stand Out

## Tye Tribbett & G.a.

Open up your eyes, take a look at me  
Get the picture fixed in your memory  
I've been driven by the rhythm like the beat of a heart  
And I won't stop until I start to stand out  
Some people settle for the typical thing  
Living all their lives, waiting in the wings  
It ain't a question of if, just a matter of time  
Before I move to the front of the line  
Once you're watching every move that I make  
You gotta believe that I got what it takes  
To stand out above the crowd  
Even if I gotta shout out loud  
'Til mine is the only face you'll see  
Gonna stand out 'til you notice me  
If the squeaky wheel's always getting the grease  
I'm totally devoted to disturbing the peace  
And I'll do it all again when I get done  
Until I become your number one  
No method to the madness and no means of escape  
Gonna break every rule or bend them all outta shape  
It ain't a question of how, just a matter of when  
You get the message that I'm trying to send  
I'm under a spell, I'm in over my head  
You know I'm going all the way to the end  
To stand out above the crowd  
Even if I gotta shout out loud  
'Til mine is the only face you see  
Gonna stand out 'til you notice me  
If I could make you stop and take a look at me  
Instead of just walking on  
There's nothing that I wouldn't do  
If it was getting you to notice, I'm alive  
All I need is half a chance  
A second thought, a second glance to prove  
I got whatever it takes  
It's a piece of cake  
To stand out above the crowd  
Even if I gotta shout out loud  
'Til mine is the only face you'll see

Gonna stand out  
Stand out, stand out  
'Til mine is the only face you'll see  
Gonna stand out
