

# Potential

## Ayreon

[Teacher:]  
Where am I going?  
How did this happen?  
My life has unfolded  
Depressingly average  
But if I support him  
Help him reach his potential  
He'll be my contribution  
I can still make my mark  
My name will live on [Girl:]  
His shyness is charming  
I wish I could reach him  
He's strangely disarming  
I hope I can free him [Teacher:]  
I know I can help him  
[Girl:]  
He needs someone like me  
[Teacher:]  
To reach his potential  
[Girl:]  
To learn how to feel  
[Teacher:]  
He'll be my contribution  
[Girl:]  
I wish he'd let me in  
[Teacher:]  
They'll remember my name  
[Girl:]  
Let me help him to live  
[Teacher:]  
My claim to fame
