Consume Me

Jarboe

Lovely traces
I can sense You in everything
The way that You move me
Takes me far away, I seek no escapeI'm dreaming through Your eyes
I am wandering through Your mind
I'm overtaken by the way that You deliver me
I'm transcendedThere's no place I'd rather be
Than here in Heaven
Without You I'm incomplete
It's hopelessYou consume me, You consume me
Like a burning flame running through my veins
You consume me, moving through me
Anytime, anyplace You invade my space
You consume me, You consume meWholly devoted, I immerse myself in You
Baptize me in Your love
'Cause drowning in the thought of You
Floods my soulI'm taken by the things You do
God, You know
It doesn't matter what I lose
I'm YoursYou consume me, You consume me
Like a burning flame running through my veins
You consume me, moving through me
Anytime, anyplace You invade my space
You consume me, You consume meI am in Your hands
Under Your command
Like a puppet on a stringI am willing to
Put my faith in You
So before the world I singYou consume me, You consume me
Burning flame, through my veins
You consume me, moving through me
Anytime, anyplace You invade my space
You consume me, I am consumed, I'm consumed with YouThere's no other way I can fly
It's You and I, You and I
There's no other way I can fly
It's You and I, You and I
