Hide and Seek

Gareth Dunlop

Artist: Gareth Dunlop
Album: How far this road goes

Hide and seek

Sometimes i wish i could go back
Erase this worried mind
Take a thousand photographs, and leave it all behind

I wanna be playing
Playing hide and seek
Where nobody, nobody can't find me
I'm not growing up so easily

(Hide and seek, hide and seek)

Somebody take these bills on the table
Turn them in to something sweet
Give me a wishing well, to drink from
Grant me one wish, please

I wanna be playing
Playing hide and seek
Where nobody, nobody can't find me
I'm not growing up so easily

(Hide and seek, hide and seek, hide and seek, hide and seek)

Take my heart and make it hopeful
Store the innocence in me
Turn this worries in the laughter with the game
Hide and seek

I wanna be playing
Playing hide and seek
Where nobody, nobody can't find me
I wanna be playing
Playing hide and seek
Where nobody, nobody can't find me

I'm not growing up so easily

Hide and seek
Hide and seek
Hide and seek
Hide and seek
Hide and seek
Hide and seek
Hide and seek
