

# Where You Lead

Lauren Alaina

Wanting you the way I do  
I only want to be with you  
And I would go to the ends of the earth  
'Cause, darling, to me that's what you're worth

Where you lead, I will follow  
Anywhere that you tell me to  
If you need, you need me to be with you  
I will follow where you lead

If you're out on the road  
Feeling lonely and so cold  
All you have to do is call my name  
And I'll be there on the next train

Where you lead, I will follow  
Anywhere that you tell me to  
If you need, you need me to be with you  
I will follow where you lead

I always wanted a real home with flowers on the window sill  
But if you want to live in New York city, honey, you know I will  
(Yes I will, yes I will)  
I never thought I could get satisfaction from just one man  
If anyone can keep me happy, you're the one who can

And where you lead, I will follow  
Anywhere that you tell me to  
If you need, you need me to be with you  
I will follow

Oh where you lead  
I will follow  
Any anywhere that you tell me to  
If you need, you need me to be with you  
I will follow  
Where you lead

Come on  
I'm gonna follow where you lead

I'm gonna follow where you lead  
I'm gonna follow, I, I'm gonna follow  
I, I'm gonna follow where you lead
