

Brave

Katatonia

If you didn't know all the moments
When I lose myself I would tell the world
I'm catching flies by now speaking to someone
Breaking the windows this house is deadThe sound of falling
When the pictures are moving
Between the memories
Dead in timeBrave try the meaning of loss
I know your smile is deadly
At this point wherever you are I am notIf you didn't know all the moments
When I lose myself I would tell the world
I guess I should know
The limits of the world
There are moments I find myself
Not breathing at all
