

# Taste my love

## DJ Dimitri

Come on and taste my love  
It's you, I'm thinking of  
Baby, don't you be afraid  
I will guide you all the way  
Come on and taste my love  
It's you, I'm thinking of  
I got what you're looking for?

There's no need to look no moreHave you ever had someone

Make love to your mind  
It's all good baby baby  
I'll treat you like a lady  
I'll take my time so you know  
There's no rush we'll take it slow  
We've got all the time in the world  
Ooh baby, don't pass up this chance for romance girl  
I've got something sweeter than candy

Baby, dont you worry about a thingCome on and taste my love  
It's you, I'm thinking of  
Baby, don't you be afraid  
I will guide you all the way  
Come on and taste my love  
It's you, I'm thinking of  
I got what you're looking for?

There's no need to look no moreAre you ready for the real thing?

'Cause I'm not coming up short  
There's no doubt it will not work babe  
Just one taste and you'll beg for more  
'Cause my love is all you need  
Baby don't you worry 'bout a thing

Ooh baby, dont pass up this chance for romance girl  
I've got something sweeter than candy  
Sweeter than candy  
Sweeter than honey  
Sweeter than sugar

Baby, don't you worry 'bout a thingCome on and taste my love  
It's you, I'm thinking of  
Baby, don't you be afraid  
I will guide you all the way  
Come on and taste my love

It's you, I'm thinking of  
I got what you're looking for?  
There's no need to look no more
