I Really Want You To Hate Me

Meg Myers

I really want you to hate me
I really want you to find
That I am bitter and angry
That I'm no mother of a childI really want you to hate me
I really want you to find
That I'm the ugliest girl
And I will never be a brideThere's no love for the wicked
There's no love to survive
There's no love can you listen
There's no love andI'm feeling high
I wanna die
I really want you to hate me
I really want you to find
That I am far from a lady
That I'm an animal insideI really want you to hate me
I really want you to find
That I'm a pitiful girl
That I'm the phoniest aliveThere's no love for the wicked
There's no love to survive
There's no love can you listen
There's no love andI'm feeling high
I wanna dieI'm feeling high
I wanna die
There's no love for the wicked
There's no love to survive
There's no love can you listen
There's no love andI'm feeling high
I wanna die
