My Love

We Came As Romans

Ain't another woman that could take your spot my loveIf I wrote you a symphony Just to say how much you mean to me

(What would you do?)

If I told you you were beautiful

Would you date me on the regular?

(Tell me would you?) Well baby, I've been around the world

But I ain't seen myself another girl

(Like you)

This ring here represents my heart

But there's just one thing I need from you

(Say I do)Because I could see us holding hands

Walking on the beach, our clothes in the sand

I could see us on the countryside

Sittin' on the grass layin' side by sideYou could be my baby

When I look at my lady

Girl, you amaze me

Ain't gotta do nothin' crazy

See all I want you to do is beMy love, so don't give away

My love, so don't give away

My love, so don't give away

Ain't another woman that can take your spot

My love, so don't give away

My love, so don't give away

My love, so don't give away

Ain't another woman that can take your spot

My love, love,

My love, my loveNow if I wrote you a love note

And made you sign up every word I wrote

(What would you do?)

Would that make you want to change your scene

And want to be the one on my team?

(Tell me would you?) See, what's the point in waiting anymore?

'Cause girl, I never been more sure

(That baby, it's you)

This ring here represents my heart

And everything that you've been waiting for

(Just say it, I do)

BecauseI could see us holding hands

Walking on the beach, our clothes in the sand

I could see us on the countryside Sittin' on the grass layin' side by sideYou could be my baby

When I look at my lady

Girl, you amaze me

Ain't gotta do nothin' crazy

See all I want you to do is beMy love, so don't give away

My love, so don't give away

My love, so don't give away

Ain't another woman that can take your spot

My love, so don't give away

My love, so don't give away

My love, so don't give away

Ain't another woman that can take your spot

My love, love,

My love, my loveMy love

I could see us holding hands

Walking on the beach, our clothes in the sand

I could see us on the countryside

Sittin' on the grass layin' side by sideYou could be my baby

When I look at my lady

Girl, you amaze me

Ain't gotta do nothin' crazy

See all I want you to do is beMy love, so don't give away

My love, so don't give away

My love, so don't give away

Ain't another woman that can take your spot

My love, so don't give away

My love, so don't give away

My love, so don't give away

Ain't another woman that can take your spot

My love
