Magnetic Electric

Old Time Relijun

Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, ohOh, oh, oh, dont, dont ask me to dance
Im scared, this feelings out of my hands
That look just took my breath away
Its plugged me into youAnd Im tuning in, tuning in slowly like a radio
(Radio, radio, radio)
You pull me in, pull me in, baby, and I cant let go
Cant stop, now where?Two hot bodies with chemistry thats on the rise
Its electric, magnetic electric
The heat screams out and echoes all around tonightTwo hot bodies bound together with no choice
Its electric, magnetic electric
Star crossed lovers drowned in the sound of this white noiseOh yes, oh yes, Im hearing it loud
I must confess I like it
Its everything I wanted and more
You give me bait, I bite itAnd Im tuning in, tuning in slowly like a radio
(Radio, radio, radio)
Its coming in, coming in, this signal is out of control
Cant stop, now where?Two hot bodies with chemistry thats on the rise
Its electric, magnetic electric
The heat screams out and echoes all around tonightTwo hot bodies bound together with no choice
Its electric, magnetic electric
Star crossed lovers drowned in the sound of this white noiseIts electric, magnetic electric
White noiseOh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, ohTwo hot bodies with chemistry thats on the rise
Its electric, magnetic electric
The heat screams out and echoes all around tonightTwo hot bodies bound together with no choice
Its electric, magnetic electric
Star crossed lovers drowned in the sound of this white noise
