

# Magnetic Electric

## Old Time Relijun

Oh, oh, oh, oh  
Oh, oh, oh, oh  
Oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, dont, dont ask me to dance  
Im scared, this feelings out of my hands  
That look just took my breath away  
Its plugged me into you And Im tuning in, tuning in slowly like a radio  
(Radio, radio, radio)  
You pull me in, pull me in, baby, and I cant let go  
Cant stop, now where? Two hot bodies with chemistry thats on the rise  
Its electric, magnetic electric  
The heat screams out and echoes all around tonight Two hot bodies bound together with no choice  
Its electric, magnetic electric  
Star crossed lovers drowned in the sound of this white noise Oh yes, oh yes, Im hearing it loud  
I must confess I like it  
Its everything I wanted and more  
You give me bait, I bite it And Im tuning in, tuning in slowly like a radio  
(Radio, radio, radio)  
Its coming in, coming in, this signal is out of control  
Cant stop, now where? Two hot bodies with chemistry thats on the rise  
Its electric, magnetic electric  
The heat screams out and echoes all around tonight Two hot bodies bound together with no choice  
Its electric, magnetic electric  
Star crossed lovers drowned in the sound of this white noise Its electric, magnetic electric  
White noise Oh, oh, oh, oh  
Oh, oh, oh, oh  
Oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh Two hot bodies with chemistry thats on the rise  
Its electric, magnetic electric  
The heat screams out and echoes all around tonight Two hot bodies bound together with no choice  
Its electric, magnetic electric  
Star crossed lovers drowned in the sound of this white noise
