

# Tap Water Drinking

## Lewis Del Mar

I want to drink your water  
Tap from the Caribbean  
For bitter fruits and season  
Cherry lips and fresh peaches  
You know I am cheating, but I can't feel guilty  
And no more have it.  
I want your water.  
You're somebody's daughter  
Faded westchester palace,  
They almost called you Alice  
Never gave you an atlas  
'Cause who goes to Alaska when it snows in WOC?  
And who runs for the mountains, when the rock is a tallass building?  
And every time you see it you think that you're forgiven.  
So you felt no guilt when we fucked on the dark? in Brooklyn.  
... like children  
You said you only live once.  
You also said you love your boyfriend.  
But that shit's not important (it never is).  
When you're 22 and your parents pay your rent.  
That is cute (??)Wait.  
The night's getting wild .  
It's seven in the morning and I should leave you probably, but everything else is boring.  
I want to drink your water  
water  
Tap from the Caribbean  
For bitter fruits and season  
Cherry lips and fresh peaches  
You know I am cheating, but I can't feel guilty  
And no more have it.  
I want to drink your water.  
I want your water.  
I want to drink your water.  
Tap from the Caribbean.  
For bitter fruits and season.  
Cherry lips and fresh peaches.  
And you know I am cheating.  
But I can't feel guilty and no more have it.  
So I want to drink your water.  
I want your water.
