

Spare Some Love

Cassie Taylor

been feeling mighty down
sun setting on the day
my mind grows weary
feel the burning weight
i once was happy
i felt no pain
i had a roof
to shelter me from the rain

well my coat is torn
seems come undone
my cup is empty
can you spare some love

i'm down and out
not a penny in change
i should leave this place
ain't no use in staying
my soul is weary
and my heart worn
ain't slept in days
no house and no home

well my coat is torn
seems come undone
my cup is empty
can you spare some love

so sit down beside me
spare a second of your time
i don't need a penny
i don't need a dime
and i'll tell you my story
not a word of a lie
it's a tale of sadness
and a wasted life

well my coat is torn
seems come undone
my cup is empty

can you spare some love
