

# Bang

## Paddy and the Rats

While dogs were fuck in the kitchen  
My girl just fucked with my mind  
Why dont you have got a real job  
Why are you just fuck your time?  
So i had to go to Murphys,  
Coz i couldnt write a rhyme  
I drank a lot of whiskey and guiness  
And I fucked well fine When i go to home I bang my girl,  
I always do that  
Maybe Im a crazy man but thats my attitude  
When I go out with my Paddys,  
We dont like drink bloody a water,  
And when I drink a whiskey,  
Thats always what I do
