

Money Tree

Caroline Glaser

Daddy always told me no you'll never grow that tree,
Said sit down in that chair right there and watch me and you'll see,
Despite my best efforts, no I haven't grown that tree,
The funny one, the shady one, the way the grows money Listen up now, listen good.
Listen up like I know I should
I've got one chance to make a scene,
Make a name I've got to plant that seed You spend your whole life being someone you're not,
So quick to forget all the things you've been taught.
If I sing oh oh oh and la la la could you hear my cry? Would you sing along?
La la la la la la la la la Mama always told me oh you've gotta look your best,
So sit down in that chair you know I'm not just like the rest.
Now I'm down the road I still haven't found my way;
Still searching for that moment I'm still waiting on the day. Listen up now, listen good.
Listen up like I know I should
I've got one chance to make a scene,
Make a name I've got to plant that seed You spend your whole life being someone you're not,
So quick to forget all the things you've been taught.
If I sing oh oh oh and la la la could you hear my cry? Would you sing along?
La la la la la la la la la Listen up now, listen good.
Listen up like I know I should
I've got one chance to make a scene,
Make a name I've got to plant that seed You spend your whole life being someone you're not,
So quick to forget all the things you've been taught.
If I sing oh oh oh and la la la could you hear my cry? Would you sing along?
La la la la la la la la la
