

Own It

Ember Swift

All my dreamers, all my believers, tomorrow leaders

If you been dreaming for all your life

This is your chance

Everybody is a star

It don't matter who you are, no

Keep on reaching for your dreams

'Cause it ain't crazy as it seems

We are calling all the dreamers

We are calling the believers

Looking for the big achievers

Keep on reaching for your dreams

Hey, say

I wanna own it, wanna, wanna own it

I wanna own it, wanna, wanna own it

I wanna own it, wanna, wanna own it

I wanna own it, wanna own it

I wanna own, that's the way I want it

The way I own it, that's the way I want it

I wanna own it, that's the way I want it

I wanna own it

This is your chance to own it

This is your chance, your moment

This is your chance, don't blow it

Go out and own it, o-own it

Anybody could be famous

It don't matter what your name is

It's your moment, baby, claim it

Go out and own it, go out and own it

Will I make it is what I wonder

I want the top and not the under

I wanna do it big like Oprah

I wanna own it, I wanna o-own, own it

Hey

I wanna own it, wanna, wanna own it

I wanna own it, wanna, wanna own it

I wanna own it, wanna, wanna own it

I wanna own it, wanna own it

I wanna own it, that's the way I want it

The way I own it, that's the way I want it
I wanna own that's the way I want it
I wanna own it
This is your chance to own it
This is your chance, your moment
This is your chance, don't blow it
Go out and own it, go out and o-own it, it
Ah, ha, ah, ha, ah, ha
Ah, ha, ah, ha
Oh, go out and own it
Go out and own it
'Cause I'm a dreamer, I'm a believer, a tomorrow leader
And I've been dreaming for all my life
And this is my chance
