

# Blackened

## Hellsongs

Blackened is the end  
Winter it will send  
Throwing all you see  
Into obscurityDeath of Mother Earth  
Never a rebirth  
Evolution's End  
Never will it mendFire  
To begin whipping dance of the dead  
Blackened is the end  
To begin whipping dance of the dead  
Color our blackened  
Color our world blackened  
Blistering of Earth  
Terminate its worth  
Deadly nicotine  
Kills what might have beenCallous frigid chill  
Nothing left to kill  
Never seen before  
Breathing nevermoreFire  
To begin whipping dance of the dead  
Blackened is the end  
To begin whipping dance of the dead  
Color our blackened  
To begin whipping dance of the dead  
Blackened is the end  
Our blackened is the end  
Opposition  
Contradiction  
Premonition  
Compromise  
Agitation  
Violation  
Mutilation  
Planet DiesDarkest color  
Blistered Earth  
True death of lifeTermination  
Expiration  
Cancellation  
Human Race

Expectation  
Liberation  
Population  
Lay to wasteSee our mother  
Put to death  
See our mother dieSmoldering decay  
Take your breath away  
Millions of our years  
In minutes disappearsDarkening in vain  
Decadence remains  
All is said and done  
Never is the sunFire  
To begin whipping dance of the dead  
Blackened is the end  
To begin whipping dance of the dead  
Color our blackened  
To begin whipping dance of the dead  
Blackened is the end  
To begin whipping dance of the dead  
Color our blackened  
Color our world blackened  
Blackened  
Color our world blackened
