

Sandblasted and Set Free

Max~mo Park

Solarised (The Overlap)
A dividing line (The dyed glass)
Like a cog (The centrepiece)
Standing still (Sewn-up)

Follow me down this rope ladder
Our bodies becoming shapes on the sails
It's a leap of faith; it's a crash landing
Thin ice softly splinters

Sandblasted and set free
A trial run on paper
The earth is solid, you can dig it up
Or you can pave it over

Balconies (A poster)
Like diving boards (A placard)
Naked heels (Perspex)
Cotton reels (Creates a spectrum)

Follow me down this rope ladder

Our bodies becoming shapes on the sails
It's a leap of faith. Towards a crash landing
Thin ice softly splinters

Sandblasted and set free
A trial run on paper
The earth is solid, you can dig it up
Or you can pave it over
Sandblasted and set free
I fell in love with flirtation

Sandblasted and set free
A trial run on paper
The earth is solid, you can dig it up
Or you can pave it over
Sandblasted and set free

The brevity of sensation

I fell in love with flirtation

The brevity of sensation
