

Heart And Soul

Dean Martin

Heart and soul
I fell in love with your heart and soul
The way a fool would do madly
Because you held me tight
And stole a kiss in the night
Heart and soul
I begged to be adored, I lost control
And tumbled overboard gladly
That magic night we kissed
There in the moon mist
Oh but your lips were thrilling
Much too thrilling
Never before were mine
So strangely willing
But now I see
What one embrace can do, look at me
It's got me loving you madly
That little kiss you stole
Held all my heart and soul
But now I see
What one embrace can do, look at me
It's got me loving you madly
That little kiss you stole
Held all my heart and soul
