

Official Girl

Cassie Feat. Lil Wayne

Danja and The Clutch

I miss you, girl, I miss you, girl

I'ma make you my official girl

Listen, today makes it a year

Don't you think it's time that you made it clear?

You've gotta get on your biz

Tell me what it ain't or what it is, I can handle it

I've had it up to here

I don't wanna pressure you, dear

I've sent back-to-back dudes away from my door

Thinking I was spoken for, not anymore

And I'm tired, I'm tired, I'm tired

Of being your, your unofficial girl, unofficial girl

And I'm tired, I'm tired of trying

Ooh, but I'm still your, your unofficial girl

You gotta love me in the light and the dark

You gotta give me, give me all of your heart

I wanna be your, be your official girl, official girl

Said I wanna, wanna, wanna be your official girl

I wanna be your official girl

I wanna be your official girl, official girl, official girl

If you keep this up there's bound to be a mess

?Cause I ain't really like the rest

Put to the test I could surely pass, yeah

You better do the math

I'm so stylish, so bossy

It'd be a shame to say you lost me

But if you want that, it's a wrap

And I won't look back and I won't look back

And I'm tired, I'm tired, I'm tired

Of being your, unofficial girl, unofficial girl

And I'm tired, I'm tired of trying

Oh, I'm still your unofficial girl, unofficial girl

You gotta love me in the light and the dark

You gotta give me, give me all of your heart

I wanna be your, be your official girl, official girl

Said I wanna, wanna, wanna be your official girl

I wanna be your official girl

I wanna be your official girl, official girl, official girl

(Said I wanna be yours, yeah)

Shawty said she wanna be my official
Bang bang, dame took an old pistol
Ain't no violence, ain't no silence
'Cause she scream to the top of her, when I get on top of her
Soundin' like an opera, skip, jump, hop in her
Got her feelin' popular, get her feelin' like she's
She's my official girl, yeah you so special, girl
I never dis you and I'll kiss you on your little pearl
I know you know like that baby, yeah you like that baby
I know I could make you come right back baby, oh!

(Said I wanna be yours, yeah)

Official girl

I miss you girl, I miss you girl

I'ma make you my official girl

You better act right

I'm two seconds from being out the door

I miss you girl, I miss you girl

I'ma make you my official girl

Said, I won't be with you unofficially anymore

And I can't make you choose

Long as you're cool on knowing

You're 'bout to blow a good thing

And I ain't making ultimatums

I'ma tell you like this verbatim

And I'm tired and I'm tired, I'm tired

Of being your unofficial girl

And I'm tired, I'm tired of trying

I'm still your unofficial girl

You gotta love me in the light and the dark

You gotta give me, give me all of your heart

I wanna be your official girl

Said, I wanna, wanna, wanna, be your official girl

I wanna be your official girl

I wanna be your official girl, official girl, official girl

I miss you, girl, I miss you, girl

I'ma make you my official girl

My official girl

Cassie you can be my official girl

My official girl, yeah

Cassie you can be my official girl, yeah
