Misery (acoustic)

Maroon 5

Oh yeah Oh yeah So scared of breaking it That you won't let it bend And I wrote two hundred letters I will never send Sometimes these cuts are so much Deeper then they seem You'd rather cover up I'd rather let them bleed So let me be And I'll set you freeI am in misery There ain't nobody Who can comfort me Why won't you answer me? The silence is slowly killing me Girl you really got me bad You really got me bad I'm gonna get you back Gonna get you backYour salty skin and how It mixes in with mine The way it feels to be Completely intertwined It's not that I didn't care It's that I didn't know It's not what I didn't feel, It's what I didn't show So let me be And I'll set you freeI am in misery There ain't nobody Who can comfort me Why won't you answer me? Your silence is slowly killing me Girl you really got me bad You really got me bad I'm gonna get you back Gonna get you backYou say your faith is shaken You may be mistaken You keep me wide awake and

Waiting for the sun I'm desperate and confused So far away from you I'm getting there Don't care where I have to runWhy do you do what you do to me, yeah Why won't you answer me, answer me, yeah Why do you do what you do to me, yeah Why won't you answer me, answer me, yeahI am in misery There ain't nobody Who can comfort me Why won't you answer me? Your silence is slowly killing me Girl you really got me bad You really got me bad I'm gonna get you back Gonna get you backGirl you really got me bad You really got me bad I'm gonna get you back Gonna get you back(Girl you really got me bad) (You really got me bad) (I'm gonna get you back) (Gonna get you back)
