

Sophisticated Lady

Linda Ronstadt

They say into your early life romance came
And in this heart of yours burnt a flame
A flame that flickered one day and died away Then with disillusion deep in your eyes
You learned that fools in love soon grow wise
The years have changed you somehow, I see you now Smokin', drinkin'
Never thinkin' of tomorrow
Nonchalant
Diamonds shinin'
Dancin', dinin'
With some man in a restaurant
Is that all you really want? No, sophisticated lady, I know
You miss the love you had long ago
And when nobody is nigh
You cry
