

# We Are One

## Maze

### VERSE1:

Can't understand  
why we treat each other in this way  
Taking up time  
with the silly, silly games we play  
We've got our love  
and no matter how it's said and done

### HOOK:

(We are one)no matter what we do  
(We are one)our love will see us through  
(We are one)and that's the way it is  
(We are one)Ohhh?.

### VERSE2:

Sometimes I feel  
that we try to make each other sad ... ?I don't know why??  
Things we do  
how we make each other feel so bad  
We've got so much  
we could all be having so much fun

### HOOK:

(We are one)right from the very start, WE!  
(We are one)deep down in your heart  
(We are one)and that's the way it is  
(We are one)Ohhh?.

### KEYBOARD SOLO

Can't understand  
why we treat each other in this way  
Taking up time  
with the silly, silly games we play  
We've got our love?our love  
and no matter how it's said and done

### HOOK (Repeat to fade):

(We are one)  
(We are one)our love will see us through

(We are one)and that's the way it is

(We are one)Ohhh?.
