All I Wanna Do Is Make Love To You

Halestorm

It was a rainy night
When he came into sight,
Standing by the road,
No umbrella, no coat.
So I pulled up alongside
And I offered him a ride.
He accepted with a smile,
So we drove for a while.
I didn't ask him his name,
This lonely boy in the rain.
Fate tell me it's right,
Is this love at first sight?
Please don't make it wrong,
Just stay for the night.

All I wanna do is make love to you
Say you will
You want me too
All I wanna do is make love to you
I've got lovin' arms to hold on to

So we found this hotel, It was a place I knew well We made magic that night. Oh, he did everything, everything right He brought the woman out of me, So many times, easily And in the morning when he woke all All I left him was a note I told him I am the flower you are the seed We walked in the garden We planted a tree Now baby don't try to find me, Please don't you dare Just live in my memory, You'll always be there

All I wanna do is make love to you

One night of love was all we knew All I wanna do is make love to you I've got lovin' arms to hold on to

Oh, ooh, we made love, love.

Love like strangers

All night long

All night long

Then it happened one day,
We came round the same way
You can imagine his surprise
When he saw his own eyes
But I said please baby, please baby understand
I'm in love with another man
And what he couldn't give me, no no no,
Was the one little thing that you can

All I wanna do is make love to you
One night of love was all we knew
All I wanna do is make love to you
Come on say you will babe, you want me too

All night long All night long All I wanna do All I wanna do Say you will

All I wanna do is make love to you

One night of love
