

Red Sails

David Bowie

I feel roughed up, feel a bit frightened
Nearly pin it down some time
Red sail action wake up in the wrong town
Boy, I really get around Thunder ocean, thunder ocean
Red sails take me, make me sail along Red sails and a mast so tall
Red sails, red sails Do you remember we another person
Green and black and red and so scared
Graffiti on the wall keep us all in tune
Bringing us all back home Red sails, thunder ocean
Red sails, sailor can't dance like you
Red sail, red sail action
Red sail, some reaction Action boy seen living under neon
Struggle with a foreign tongue
Red sails make him strong
Action make him sail along
Life stands still and stares The Hinterland, the Hinterland
We're gonna sail to the Hinterland
And it's far far far far, far far far away
It's a far far, far far far, fa da, da da da
One two three four
