Relentless Hatred

Magrudergrind

This hate is relentless and so deep-seated
It's rightful, it's earned, it's addicting
It stretches back centuries
It digs into bloodlines of tormentationYearning to uproot and decimate
The lineage of cowards
And perpetrators always
Cloaked as the pious clericsSeeds so violent sown and internalized
A revenge so deep it turns formalized
Every moment crushed
A sorrow felt through the heart
Drilled into the psyche
A woe shared generations apart
A disgust so deep and profound
A vengeance seeking action
RetributionPeel back the facade and expose
This human filth
Isolate it, hate it, wipe any trace of it away
