

# Party Girl

[Linda Ronstadt](#)

They say I'm nothing but a party girl  
Just like a million more all over the world  
I know, I shouldn't be raising my hopes so high But I have seen the hungry look in their eyes  
They'd settle for anything in disguise of love  
Seen the party girls look you over  
Seen them leaving when the party's over They can't touch me now  
You say, you don't mind  
We're so hard to find  
I could give you anything but time Give it just one more try  
Give it a chance  
Starts like fascination  
Ends up like a trance You'll never be the guilty party, will you?  
Maybe someday we can go hiding from this world  
Maybe I'll never get over this change in style But I don't want to lock you up and say you're mine  
Don't want to lose you or say goodbye  
I'm the guilty party and I want my slice  
But I know you've got me in a grip-like vise They can't touch me now  
You say you don't mind  
We're so hard to find  
I could give you anything  
I would give you anything  
I can give you anything but time Time, time, time
