

# Prayer

Leela James

Livin' in a cold, cold world  
Sometimes it gets hard and you feel like  
You can't make it out When I was just a little girl  
My momma told me, "Don't you worry  
Hold your head and wear a smile""Cuz you're gonna have days  
When you feel like things ain't goin' your way  
Just take a moment and pray" Where would I be? Where would I be?  
Where would I be if You ain't never heard a prayer from me?  
What would I do? What would I do?  
What would I do if I didn't have You to be there for me? And I'm so thankful for  
All the things You've done  
Showing me right from wrong  
And cleansin' my soul When all my friends  
Turned their back on me  
You made me see  
You're the only one I need Where would I be? Where would I be?  
Where would I be if You ain't never heard a prayer from me?  
What would I do? What would I do?  
What would I do if I didn't have You to be there for me? Where would I be? Where would I be?  
Where would I be if You ain't never heard a prayer from me?  
What would I do? What would I do?  
What would I do if I didn't have You to be there for me? Way in the midnight hour, I called Your name  
'Cuz I knew You were watchin' over me  
And I don't know just where I'd be  
If somebody never said a prayer for me Where would I be? Where would I be?  
Where would I be if You ain't never heard a prayer from me?  
What would I do? What would I do?  
What would I do if I didn't have You to be there for me? Where would I be? Where would I be?  
Where would I be if You ain't never heard a prayer from me?  
What would I do? What would I do?  
What would I do if I didn't have You to be there for me? I just wanna thank You, Lord  
I, I just wanna thank You, Lord  
I, I just wanna thank You, Lord  
I, I just wanna thank You, Lord I, I just wanna thank You, Lord  
I, I just wanna thank You, Lord  
I, I just wanna thank You, Lord  
I, I just wanna thank You, Lord Where would I be? Where would I be?  
Where would I be if You ain't never heard a prayer from me?  
What would I do? What would I do?

What would I do if I didn't have You to be there for me?
