

Games of Humiliation

Pungent Stench

Hey babe feel the whip on your naked skin
I'll torture, I'll hit - Cry in ecstasy
Needles through your nipples to get them stiff
Weight on your genitals make your cunt foamy and hot
You do like pain, it gives you pleasure
Beg and whimper, I humiliate your being
I have my technics, rigid and severe
I wanna get you to a real orgasm
Now let us change roles and show your treatment
Put on some leather and be my domina
Please give me back what I deserve
No matter what kind ache I'll feel
On your knees my slave, lick my heels
Your penis zone I shave - Drop wax on it
Clean the floor and eat my shit you little gormandizer
Don't forget you'll feel the whip when you don't obey
