Right or Wrong (Remastered)

Titiyo

You're playing with fire
I'm getting, oh, so tired
You need to slow down
You're spinning me aroundYou're playing with fire
You're a good, good liar
I need to hold on
I've got to be strong, I've gotta fight'Cause if loving you is wrong
I don't wanna be right
If loving you is wrong
I don't wanna be rightIf loving you is wrong
I don't wanna be right
I just wanna be right by your sideYou're playing with fire
Make me go, go higher
I need to hold on
I've gotta be strong and I gotta fightIf loving you is wrong
I don't wanna be right
If loving you is wrong
I don't wanna be rightIf loving you is wrong
I don't wanna be right
I just wanna be right by your sideAnd I need a reason to believe you
And you need a reason to receive me
I really hope I'm wrong
I don't wanna be right
