

# Right or Wrong (Remastered)

[Titiyo](#)

You're playing with fire  
I'm getting, oh, so tired  
You need to slow down  
You're spinning me around You're playing with fire  
You're a good, good liar  
I need to hold on  
I've got to be strong, I've gotta fight 'Cause if loving you is wrong  
I don't wanna be right  
If loving you is wrong  
I don't wanna be right If loving you is wrong  
I don't wanna be right  
I just wanna be right by your side You're playing with fire  
Make me go, go higher  
I need to hold on  
I've gotta be strong and I gotta fight If loving you is wrong  
I don't wanna be right  
If loving you is wrong  
I don't wanna be right If loving you is wrong  
I don't wanna be right  
I just wanna be right by your side And I need a reason to believe you  
And you need a reason to receive me  
I really hope I'm wrong  
I don't wanna be right
