

Top Notch (Feat. Mouse & Lil' Phat)

Lil Boosie

Top notch whips that's
What I drive
24 inches rims and tires
Hatin' ass niggas can't believe they eyes
They starin' me down, and I don't know why
They starin' me down, and I don't know why
They starin' me down, and I don't know why
They starin' me down, and I don't know why
Hold up wait a second,
Let me think for a secondRed Bandana, Red Lexus
Top notch nigga hoes call me black and sexy
Top notch whip on that good drink from Texas
Got everybody lookin' like a nigga butt naked
Please be good 'cause it could go down
Mr Baton Rouge, I hold the streets crown
I feel it with gas, keep it clean as my ass
If I'm in that yellow thing I got on yellow to match
I would name my cars, but I ain't got time
Just got my fresh fade, check out my line
Ol' lady cross the street like "ain't that conley boy"
"That boy be on TV too, ain't that the same boy" (yea)
Fillin' even better when I look in the mirror
Diamonds on my teeth when I'm smiling at the niggas
From the car lot, to the rim shop we crawl and we creep
Southside young beast that's how I come on these streetsTop notch whips that's
What I drive
