

# Capitol P

## Mindless Self Indulgence

Beat down. I don't want to be the one  
Who's stuck with me when I'm with my meat out  
Trapped in a room when I start to beat it  
I don't want to be the one  
Who's touchin' me when I'm with my meat out  
Juggling my balls then a sucka gets a beat down Perverted, with a capitol P  
Convert it, into what you see  
Insert it, deep inside of me  
Deserted, it won't happen to me  
Happen to me  
No, it will not happen to me! Doo doo do!  
You know I'm really horny, really horny won't stop  
You know I'm really horny  
Oh, I'm really horny, yo You know I'm really horny, really horny won't stop  
You know I'm really horny  
Oh, I'm really horny, yo Excuse me I don't want to be the one  
Who's stuck with me when I'm with my meat out  
Trapped in a room when I start to beat it  
I don't want to be the one  
Who's touchin' me when I'm with my meat out  
Juggling my balls then a sucka gets a beat down Pre-pre-pre-pre-Perverted  
So-so-so-so-so with it  
Pre-pre-pre-pre-Perverted  
So-so-so-so-so with it Perverted, with a capitol P  
Convert it, into what you see  
Insert it, deep inside of me  
Deserted, it won't happen to me  
Happen to me  
No, it will not happen to me! Doo doo do!  
You know I'm really horny, really horny won't stop  
You know I'm really horny  
Oh, I'm really horny, yo You know I'm really horny, really horny won't stop  
You know I'm really horny  
Oh, I'm really horny, yo You know I'm really horny, really horny won't stop! I don't want to be the one  
Who's stuck with me when I'm with my meat out  
Trapped in a room when I start to beat it  
I don't want to be the one  
Who's touchin' me when I'm with my meat out  
Juggling my balls then a sucka gets a beat down I don't want to be the one

Who's stuck with me when I'm with my meat out  
Trapped in a room when I start to beat it
