

Country Girl (Re-Recorded Version)

[Faron Young](#)

I met you, my country girl, you didn't have a thing
I dressed you up, I fell in love, then I bought the ring
I was teachin' you to love, you were learnin' fine
Then one day you learned too much and it poisoned your sweet mind
Now you've gone and left me, you're with somebody new
But I wonder if you told him, I bought the clothes on you
When you two are dancin' and you whisper soft and sweet
I wonder if you'll tell him, I bought the shoes on your feet
Now I've lost my country girl to a city love affair
He built you up, you fell for him, you didn't treat me fair
You think that he's a dream come true, he says he loves you so
But wait until the word gets out, I taught you all that you know
Now you've gone and left me, you're with somebody new
But I wonder if you told him, I bought the clothes on you
When you two are dancin' and you whisper soft and sweet
I wonder if you'll tell him, I bought the shoes on your feet
