I Fell In Love With You

Priscilla Renea

Chorus:
I fell in love with your good in love with your bad in love with your everything in love with you in love with your happy and with your sad in love with the little things in love with you in love with tomorrow because I know I'll wake up lying next to you....ohhh you I fell in love with you
Verse 1: I believed in you and me sometimes we disagree but like my heart you never skipped a beat the ying to my yang the vera to my wang so crazy in love like Beyonce uh oh uh oh uh oh oh no no perfect as a picture contigo cause I'm with you for life thats what I promised you years ago look at us now we're still holding on
Hook: Is it really real could it be am I dreaming got someone who loves me back pinch me I must be sleepin' you can call it love true love and your my first I'm here for better or worse

chorus:
Verse 2: Oh baby boy you are like a classic car they don't make em like you anymore sometimes you be trippin' I love to travel so i pack my bags and trip with you what we got is so deep I can drown in the flow though we aint settled down boy with you I'm home and theres no place like it so I don't try to fight ohhhh noooooo
hook:
Chorus:
