

# Barricades & Brickwalls

[Kasey Chambers](#)

Barricades and brickwalls  
Won't keep me from you  
You can tie me down on a railroad track  
You can let that freight train loose  
Iron bars and big old cars  
Won't run me out of town  
Well I'll be damned if your not my man  
Before the sun goes down Well you can chain me down  
On the edge of town  
You can leave me there to die  
But the railroad track  
Will bring me back  
When the lonesome whistle cries Barricades and brickwalls  
Won't keep me from you  
You can tie me down on a railroad track  
You can let that freight train loose  
Iron bars and big old cars  
Won't run me out of town  
Well I'll be damned if your not my man  
Before the sun goes down Well you can lock me out  
You can scream and shout  
You can try to change your name  
By the end of the day  
I'll take you away  
Like a force 10 hurricane
