

Ho Ho Hopefully (feat. Brighten)

The Maine

December 1st

I'm in a foreign state, I'm running late
I'm all alone, wishing I was home with you baby
She's got a way of making things okay when she's not around
When she's not around I'm going crazy
We like to talk about the plans we make
And things we say
When we're together I hope for better weather this year
But you my dear need to know
This year I want you alone Ho ho hopefully
This holiday will make us believe that
We're exactly where we're supposed to be
And we're ho ho hoping that we all come back
And as a matter of fact I know we're exactly where we're supposed to be
Together by this Christmas tree (Justin from Brighten):
We go together like the winter and a sweater
And she makes me feel,
She makes me feel alive at times
And when I look into her eyes
I see the blue and green like Christmas lights
Like Christmas lights, oh what a sight
(Alex from Brighten):
She says I've got a way of making everything okay
She's not alone, she's not alone and never will be
Ho ho hopefully
This year I want you alone Ho ho hopefully
This holiday will make us believe that
We're exactly where we're supposed to be
And we're ho ho hoping that we all come back
And as a matter of fact I know we're exactly where we're supposed to be
Together by this Christmas tree Ooh
Ooh
Don't you know this year, i want you alone?
(Justin from Brighten):
Baby I want you alone! Ho ho hopefully
This holiday will make us believe that
We're exactly where we're supposed to be
(I'm exactly where I'm supposed to be)
And we're ho ho hoping that we all come back

And as a matter of fact I know we're exactly where we're supposed to be
together by this Christmas tree
